

PRESS RELEASE

NEW SCOUTING BOOK TO LAUNCH THIS SPRING

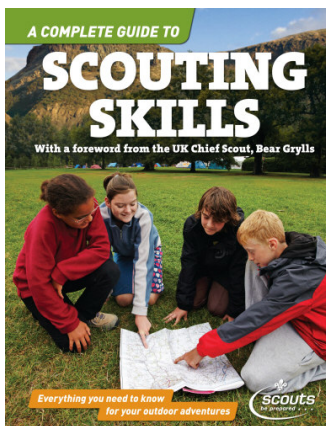

A comprehensive and full colour authorised guide to Scouting knowledge, experience and expertise about all things outdoors, with a foreword by Chief Scout, Bear Grylls.

SCOUTING SKILLS: THE COMPLETE GUIDE – MARCH 2010

“It contains the best and most useful skills you should have learned but never got around to, or once knew but have now forgotten... This is the outdoor handbook brought to you by the people who wrote the rules.”

BEAR GRYLLS, CHIEF SCOUT

SCOUTING SKILLS: THE COMPLETE GUIDE is a practical and detailed guide to everything you could ever need to know about outdoor adventure. From fireside cooking to packing your rucksack; navigation systems to raft building; basic first aid to choosing a tent; this book has got it all. Whether you're a seasoned adventurer looking to brush up on your skills or a complete beginner wanting to find a good starting point, this book is for you.

Bound to appeal to Scout members, the book also has wider appeal; it is the book every family should own to make the most of quality family time, holidays and the great outdoors.

AMAZING FACTS:

- 500,000 young people and leaders are involved in Scouting in the UK (of which 20% are young women)
- 100,000 adults volunteer for the Scouts
- 11 of the 12 people to walk on the moon were Scouts
